

# Bird Watching Tours

Explore some of the main winter quarters for aquatic birds in Europe and admire the territory with the highest Great Bustard density in the world

Aquatic and Steppe Birds  
in la Nava and Villafafila Lagoons

## TIERRA de CAMPOS

### FIRST DAY

- › Guided tour around La Nava, Pedraza and Boada Lagoons to observe the great bird diversity of these wetlands.
- › Picnic lunch based on local products
- › Guided tour through the cereal plains to watch steppe birds in one of their best habitats.
- › Transfer to accommodation in an exquisite country hotel.
- › Dinner: tasting menu inspired by the traditional cuisine of Tierra de Campos, in one of the most attractive places in the area.

### SECOND DAY

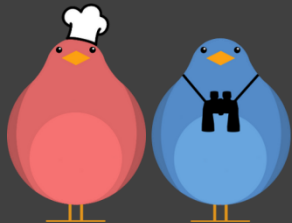

- › Breakfast and review of the day's plan.
- › Guided tour around Villafafila Lagoons to watch aquatic and steppe birds
- › Lunch: culinary experience that combines the popular gastronomic heritage with vanguard cuisine techniques, without losing the essence and spirit of Tierra de Campos.
- › Visit to a spectacular 16th century wine cellar cave.
